

CHIN201 Basic Chinese Lesson

Oct. 2022

MINGHUA XING 邢明华

What will the Basic Chinese lessons to be like?

- Simple
- Useful
- with a lot of fun
- Deep
- Systematic

Will it be difficult as a selective lesson?

As a student

- It's difficult to fail
- It's difficult to stop once you start because:
 - it's easy to be fascinated by the language itself
- It's possible to formulate a personalized learning route

As a learner

- It's easy to be a mediocre learner
- It's not that difficult to be a successful learner
- It's not that easy to be an extremely successful learner
- It's difficult to forget what have been learnt

How about the lesson plan?

Major contents have been uploaded to:

OBS platform.

Updates will be active in parallel with emerging needs.
